

World Aquaculture 2009
September 25-29, 2009
Veracruz, Mexico

WAS Employment Service at World Aquaculture 2009 September 25 – 29, 2009 Veracruz, Mexico

An employment service will be available at World Aquaculture 2009. Job announcements and resumes will be posted for inspection on the employment service display boards located in the conference trade show. The deadline for advance submission of position announcements and resumes is **Friday, September 19, 2009**. Job announcements and resumes for posting may be submitted either by surface, air or overnight mail or electronically (as an attached file to email). Job listings and resumes will also be accepted for posting at the conference.

Employers are encouraged to use the employment service to advertise job openings, review resumes of WAS members, and interview potential employees while at the conference. To have your job opening(s) included in this year's employment listing, please send each position announcement, preferably on your company or institution letterhead, to [John Ewart](#), Employment Service Coordinator. Assistance will also be available at the conference to help employers set up schedules for interviews and to answer any questions. Students and other professionals seeking employment should send their resume to the Employment Service Coordinator.

The WAS Employment Service offers online posting and searching of job announcements and resumes is available throughout the year in cooperation with the Aquaculture Network Information Center (AquaNIC). The databases can be accessed via the World Aquaculture Society Home Page <www.was.org>, <darc.cms.udel.edu/wases/> and <aquanic.org>. The WAS Employment Service and the AquaNIC/WAS job and resume databases serve as a clearinghouse for position announcements, resumes and links to other employment and aquatic science career information.

Your suggestions for improving the way employment information is collected and distributed at the annual conference(s) and throughout the remainder of the year are welcomed. Please stop by the employment service table while at the conference or address any comments you may have to John W. Ewart, WAS Employment Service, College of Marine Studies, University of Delaware, 700 Pilottown Road, Lewes, DE 19958. Tel: (302) 645-4060; Fax: (302) 645-4213; E-Mail: <ewart@udel.edu>.
